Manual Speaker

Speaker with charging cable

Power - ON / OFF
Bluetooth™

Micro USB port
3.5mm aux-in port

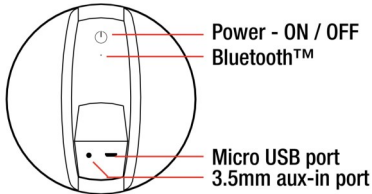

The USB charging port on the back

1/ Install the "UE Roll" app on your phone or tablet.

2/ Press shortly on the on/off button on the back of the speaker.

3/ If the speaker has been connected before, it will start looking for a phone or tablet automatically. Otherwise you need to press the "bluetooth" button on the back of the speaker for a few seconds until you hear a sound.

4/The Bluetooth LED will start blinking, you can now connect the speaker to your phone or tablet.
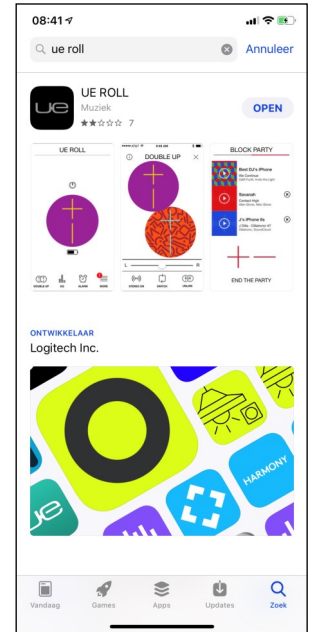

Connecting to an Apple IPhone/IPad

1/ On your phone or tablet : go to "settings" and make sure "Bluetooth" is "on".

2/ Now click on the bluetooth menu.A list of available appliances will appear.

3/ **"CdG speaker"** will appear in the list. Click on it to select.

4/ The speaker will play a sound to confirm connection.

5/ You can start using the speaker now. It will automatically connect to the phone or tablet next time you turn on the speaker.

6/ You can adjust the volume with the large "+" and "-" buttons on the front of the speaker.

Connecting to an Adroid Phone/tablet

1/ On your phone go to "settings" and choose "Connections". Make sure Bluetooth is turned on.

2/ Now choos the "bluetooth" menu. The phone/tablet will start searching for available appliances.

3/ **"CdG speaker"** will appear in the list. Click on it.

4/ The speaker will nof play a sound to confirm the connection.

5/ You can start using the speaker now. It will automatically connect to the phone or tablet next time you turn on the speaker.

6/ You can adjust the volume with the large "+" and "-" buttons on the front of the speaker.
